Sir,

Establishment - District Munsif's Court of Mangalore Appointment of a temporary Clerk for 6 months - Recommended.

*****

I am to forward herewith a copy of letter D No.6821 dated 16-11-1934 from the District Judge of South Kanara and to state that the Hon'ble the Judges recommend the appointment, to the District Munsif's Court of Mangalore, of a temporary clerk on Rs.30 - 55 a month for a period of six months.

The District Judge states that the records of the various Village and Panchayat Courts within the jurisdiction

of the District Munsif's Court of Mangalore were till recently never sent for custody to that Court, that records in 2681 cases have been of late consigned to the District Munsif's Court by 8 of the Village Munsif's Courts and that there are 20 applications for disposal of cases for transmission to the District Munsif's Court. The District Judge further states that the records already received and those yet to be received are found to be infected with white ants and that the destruction of such of those records as are over three years old has also to be attended to.

In the circumstances the District Judge considers that the appointment to the District Munsif's Court of Mangalore, of a clerk for 6 months is necessary. I am therefore to request that the sanction may be pleased to issue orders accordingly.

The extra cost involved in the proposal will have to be met from the existing grant - Appropriation under 24 (e) Administration of Justice - Civil and Sessions Courts - B. Ministerial Civil and Sessions Courts - Pay of Establishments - Voted.

I have the honour to be,

Sir,

Your most obedient servant,

for SECRETARY.

Copy of letter No.D No.6821 dated 16-11-1934 from the ~~District~~ District Judge of South Kanara to the Registrar, High Court, Madras.

Subject:- Establishment - District Munsif's Court ~~and~~ of Mangalore - checking and sorting of records of Village and Panchayat Courts - additional staff - asked for.

Ref:- High Court R.O.C.No.1027/1934-D2 dated 19-10-1934.

With reference to the above, I have the honour to submit herewith three detailed statements, with full particulars, of the actual number of cases for dealing with which an additional clerk is required.

1. Records of suits disposed of till 31-12-1930 by eight of the Village and Panchayat Courts and already received in the District Munsif's Court, which are to be checked and destroyed. These are 2681 in number.

2. Records of suits disposed of till 31-12-1930 by the remaining Village and Panchayat Courts - which are yet to be received, checked and destroyed. These are 7631 in number.

3. Records of suits disposed of by all the courts in the years 1931, 1932 and 1933 which are yet to be received. These are to be checked and retained till the expiry of the period prescribed for their destruction. They are 13187 in number. These, as well as those mentioned in the next preceding paragraph have not yet been received, as the question of their storage is pending in the present correspondence.

The extra work thus thrown upon the District Munsif's establishment will not terminate there. The last number 13187 which is ~~the~~ the figure for three years indicates that for every year in future, about 1/3rd of that number namely about 4000 and odd cases will be received and will require checking and attention (supplying originals for copies) and about a similar number will each year require checking for purposes of destruction.

Establishment – Dt. Munsif's Ct., Mangalore – Temporary clerk for 6 months

---

The Hon. the Judges of the High Court propose the employment of a clerk on Rs. 30-5 a month in the Dt. Munsif's Court, Mangalore for a period of six months for checking the records received from the Village and Panchayat Courts and for attending to the destruction of such of the records as are over three years old. The High Court says that the extra cost involved in the proposal will be met from the existing budget appropriation under 24-E. Admn. of Justice – Civil and Sessions Courts – Ds. Mofussil Civil and Sessions Courts – Pay of Establishments – Voted." Apparently, the cost involved in the next year will also be met from the budget grant that will finally be fixed. As the total cost involved will be only Rs. 180/- and as the clerk is not likely to be continued, no reference to the Fin. Committee is necessary.
